

## Firm Profile

Vantage Associates–West, Inc. consults exclusively with successful executives, professionals and entrepreneurs who seek to continually improve themselves and their organizations in the areas of planning, execution and leadership.

Vantage creates quantifiable impactful value through consulting in:

### Strategy

- Aligning senior leadership teams on their strategic and succession accountabilities

### Senior Leadership Development – Coaching from Strategy

- Guiding senior executives to operationalize a quantifiably higher level of effectiveness in their areas of accountability

### Executive Project Management

- Coaching leaders to achieve uncommon success – from the beginning – as they take on new projects, roles and accountabilities

## About Vantage Associates-West, Inc.

Vantage consults with successful clients in the energy, medical and financial fields to help them achieve and sustain top quintile performance in growth and profitability. Over 80% of Vantage's business is derived from proactive client referrals.

Cliff Eslinger, Managing Partner, has over 25 years of experience consulting with senior executives in the areas of operational strategic planning, plan execution, executive assessment, conflict resolution and leadership development.

Suzanne Miller, Senior Partner, has over 20 years of coaching and consulting experience enabling leaders to achieve greater business results in the areas of leadership, operational planning/execution, conflict resolution and team optimization.

In their consulting, facilitating and coaching, Cliff and Suzanne are continually acknowledged and rewarded for their utilization of world-class processes and candid communication with executives and leadership teams. By focusing on people dynamics as well as strategic planning and results execution, they guide their clients through challenging business and professional transitions to define and achieve their goals.
